

Button Badges

Classic giveaway promotional badges printed in full colour.

25mm / 32mm / 38mm / 45mm / 58mm / 77mm circles.
38mm square. 70 x 45mm rectangle.

Standard safety pin fitted to badges, apart from 25mm which features a wire d-pin. Kidsafe clips also available for 38mm size.

1-2 week turnaround time.

Lapel Pin Badges

Enamelled, printed or stamped in metal alone, the options for high quality metal lapel badges are only limited by the imagination.

- Completely bespoke shape.
- Pantone matched colours.
- Range of different metal platings.
- Choice of many attachments, included metal or rubber clutch pins, brooch safety pins, clothing magnets, tie-pins and cufflink fittings.

A free design consultation service is offered to help explore how your logo or design can be created as a bespoke metal badge.

4 week turnaround time.

Silicone Wristbands

An ever popular charity item, these rubberised bands are perfect to allow your supporters to show their affection for your cause.

Customised by either debossing or printing with pantone matched colours.

Glow in the dark, glitter, multi-colour or swirl effects are also offered.

Wide range of sizes available to suit adults or children. Different band thicknesses are also available.

3 week turnaround time.

Fabric Wristbands

Fabric wristbands can be woven in up to four colours or printed in full colour.

The polyester fabric gives a comfortable feel when worn, and the durability of the artwork on the bands is extremely high.

Customisation is right to edge of the fabric, and can be either one side or both sides as you prefer.

Choose from a range of sliders, including self-locking or adjustable options.

3 week turnaround time.

Name Badges

High quality fully printed name badges, supplied personalised with unique information.

Choice of rectangle sizes as well as oval option.

Safety pin, clip+pin, magnet for clothing options.

Add an optional dome resin finish if extra durability is required.

*No minimum order quantity.
1 to 2 week turnaround time.*

Standard pin

Multi-clip

Magnet

Lanyards

Our most popular lanyard choices are ribbed lanyards with a spot colour print, or smooth lanyards with a full colour print.

Ribbed lanyards feature pantone colour matching of both the lanyard and the print as standard.

Smooth lanyards have a full colour dye sublimation print, which produces a smooth and silky feel.

900mm length with choice of width: 10mm / 15mm / 20mm / 25mm. Trigger clip & neck safety break are included as standard. Many attachment and cardholder options are available.

3 to 4 week turnaround time.

Woven Patches

A great option for detailed designs, the fine threads of woven badges allow for fantastic recreation of intricate details.

Overlocked border and paper backing included as standard. Iron-on backing also available.

Threads are pantone colour matched.

3 week turnaround time.

Embroidered Patches

Embroidered badges are made by stitching a design to a base cloth, so they have a textured and raised feel.

Backing options include standard sew-on, iron-on, or velcro backing.

3 week turnaround time.

Medals

Reward participation or achievement in style with premium quality bespoke medals.

Medals can be printed or enameled, in either 2D or 3D moulding.

Choose from a range of stock ribbon colours, or customise the ribbon with colour and print.

Finish the effect with a premium presentation box

Engrave the reverse of the medals with unique information for a personalised momento.

4 to 5 week turnaround time.

Fridge Magnets

A classic promotional item which will be sure to keep your charity in the eye line of your supporters.

Fridge magnets are available in a range of plastic and rubberised materials.

Both button and acrylic style fridge magnets offer a full colour print at a low cost, while soft PVC fridge magnets are extremely tactile and fun items made in pantone matched spot colours.

3 to 4 week turnaround time.

Stickers

Order kiss-cut stickers supplied on A4 sheets ready for easy peel and application, or individually die-cut stickers for distribution separately.

A4 sheets of stickers available for circle stickers at choice of diameter sizes: 32mm / 40mm / 45mm / 51mm / 63mm. Other shapes and sizes may be available on request.

Individually die-cut stickers available in a range of circle and rectangle sizes.

1 to 2 week turnaround time

Metal Keyrings

Keyrings stamped in metal provide a premium and highly durable result.

With a range of metal platings and colour options available, this choice is highly bespoke. Shape and size can be completely tailored to your requirements.

These keyrings can be made with customisation on both sides, or supplied with a flat polished reverse. The reverse can also be engraved with the details of your charity.

4 to 5 week turnaround time.

PVC Keyrings

Soft PVC is an extremely tactile material which provides a layered surface and flexible feel.

Your design can be rendered in multiple flat layers of PVC or can be moulded into a fully 3 dimensional form.

Colours are pantone colour matched.

4 week turnaround time.

Plastic Keyrings

Button keyrings and acrylic keyrings offer a low cost solution that includes a full colour print.

Button keyrings are available at 25mm, 38mm, 45mm and 58mm diameters, with the 58mm size also offering a bottle-opener-keyring option.

Acrylic keyrings are available in a range of rectangle sizes, and allow for printing on both sides.

1-2 week turnaround time.
