25mm / 32mm / 38mm / 45mm / 58mm / 77mm circles.
38mm square. 70 x 45mm rectangle.

No minimum order quantity.

Options for 1 or 2 week turnaround time.

Lapel Pin Badges

Enamelled, printed or stamped in metal alone, the options for high quality metal lapel badges are only limited by the imagination.

- Completely bespoke shape.
- Pantone matched colours.
- Range of different metal platings.
- Choice of many attachments, included metal or rubber clutch pins, brooch safety pins, clothing magnets, tie-pins and cufflink fittings.

A free design consultation service is offered to help explore how your logo or design can be created as a bespoke metal badge.

*Minimum order quantity of 100.
4 week turnaround time.*

900mm length with choice of width: 10mm / 15mm / 20mm / 25mm
Trigger clip & neck safety break included as standard.

Ribbed Polyester Lanyards

Spot colour printed lanyards with pantone colour matching included as standard.

Our most popular lanyard choice features a subtle ribbed effect along the length of the lanyard. Print can be one side or both sides, in as many spot colours as are needed.

3 to 4 week turnaround time.

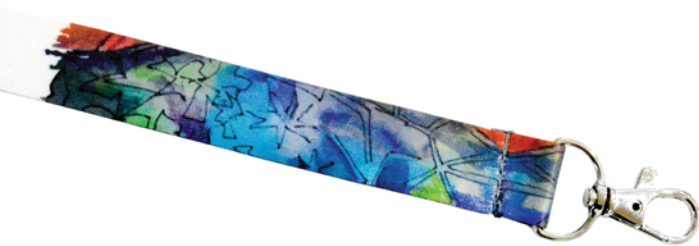

Smooth Sublimation Lanyards

Full colour dye sublimation lanyards with a smooth surface.

Featuring an eye catching full colour print right to the edge of the material, these lanyards have a smooth and silky surface feel. The print is CMYK to both sides of the lanyard.

3 to 4 week turnaround time.

Eco Lanyards

Lanyards made using PET Recycled Plastic or Biodegradable Bamboo.

Our recycled lanyards are made using fully recycled PET plastic, but can be dyed to the pantone colour of your choice. For a biodegradable option we also offer bamboo lanyards.

4 week turnaround time.

Attachments and Cardholders

Wide range of attachments and cardholders available.

Soft PVC or rigid cardholders in both portrait and landscape orientations.

Choice of many lanyard fixings.

Fabric Wristbands

Fabric festival bands can be woven in up to four colours or printed in full colour.

Choose from a range of sliders, including self-locking or adjustable options.

3 week turnaround time.

Silicone Wristbands

Perfect for a range of promotions and events, these rubberised bands are often used to show support for a charity or cause.

Customised by debossing or printing with pantone matched colours, and supplied in a range of sizes.

Glow in the dark, glitter, multi-colour or swirl effects also available.

3 week turnaround time.

Paper and Tyvek Wristbands

Ideal for managing event and festival entry.

Tyvek material is resistant to moisture and hard to tear.

2 week lead time.

Woven Patches

A great option for detailed designs, the fine threads of woven badges allow for fantastic recreation of intricate details.

Overlocked border and paper backing included as standard. Iron-on backing also available.

Threads are pantone colour matched.

3 week turnaround time.

Embroidered Patches

Embroidered badges are made by stitching a design to a base cloth, so they have a textured and raised feel.

Backing options include standard sew-on, iron-on, or velcro backing.

3 week turnaround time.

Name Badges

High quality fully printed name badges, supplied personalised with unique information.

Choice of rectangle sizes as well as oval option.

Safety pin, clip+pin, magnet for clothing options.

No minimum order quantity.

1 to 2 week turnaround time.

Photo ID Cards

Full colour printed ID cards, with unique information as well as photo id.

80 x 55mm, printed on or both sides.

1 to 2 week turnaround time.

Medals

Reward participation or achievement in style with premium quality bespoke medals.

Medals can be printed or enameled, in either 2D or 3D moulding.

Choose from a range of stock ribbon colours, or customise the ribbon with colour and print.

Finish the effect with a premium presentation box

Engrave the reverse of the medals with unique information for a personalised momento.

4 to 5 week turnaround time.

Commemorative Coins

Commemorate an event or anniversary with superb quality metal coins made to your bespoke requirements.

Coins can be manufactured single sided or two sided at a range of sizes - 32mm / 38mm / 42mm / 51mm - or a completely custom size.

A range of presentation options exist, including coin wallets, card boxes, and acrylic stands.

4 to 5 week turnaround time
